## Service Lines and Scope of Care

The Health Center welcomes walk-ins during business hours and appointments can be scheduled online for the scope of services we offer:

- [Primary Care](#)

Let NYUAD serve as your medical home while you're away from home! From management of chronic medical conditions to routine health check-ups, our student health clinic is broadly equipped to handle most medical needs for our students. Our primary care services include: sports physicals, well-woman exams, routine check-ups, travel medicine, managing chronic medical conditions, allergies, specialty referrals, and more.

- [Mental Health Services](#)

College life can be stressful, but you're not alone! Our counselors and physicians are here to help. We commonly treat a wide range of mental illnesses, including depression, anxiety, grief reaction, and ADHD. In addition, we have a 24-hour Wellness Exchange Hotline for immediate mental health crises. Please talk to us! — [See our Counseling Services](#)

- [Urgent Care](#)

For college life's unexpected events and minor emergencies. We offer same-day appointments. We commonly treat rashes, strains and sprains, respiratory infections, flu, urinary tract infections, minor laceration repairs, asthma flairs, diarrhea, and dehydration.

- [Ancillary Services](#)

To best serve our students, we offer routine bedside testing to give us immediate results. These tests include: strep testing, flu testing, urinalysis, and blood sugar testing. We also provide lab draws, vaccines, and medication injections (limited).

- [Outreach Services](#)

We collaborate with other departments within Campus Life to enhance health awareness for our students. Examples include weekly "Healthy Life Workshops," "Dine with the Dietician" sessions, and mental health group sessions.

## Life-Threatening Medical Emergencies

First call 999 for an ambulance, and then get in touch with Public Safety at +971 2-628-7777 (or 87777 from campus) so public safety can assist the medical team to your location quickly.

## After-Hours Non Life-Threatening Urgent Medical Needs

For urgent medical concerns that do not require an ambulance, proceed to the nearest

emergency room:

**Cleveland Clinic Abu Dhabi**  
Al Falah Street, Al Maryah Island  
Tel: +971 2-659-0200

Open 24/7

### **After-Hours Medical Nurse Advice Line**

When the Health Center is closed and you need non-emergent medical information and guidance on all types of health questions, tips for handling an illness/injury, or medical usage and interaction, please call the after-hours nurse advice line on +971 2-628-8100 and get connected to our specially trained registered nurses. Provide your name, phone number, and N number and the nurses will help you make informed decisions about your health situation based upon physician-approved guidelines. Your call is completely confidential.
